

COMMUNITY PARTNERS PROGRAM DETAILS

Application Deadline: December 1

BendBroadband's Community Partners Program provides a mechanism to support 501 (c) (3) nonprofit organizations with free or discounted Internet and video services. Up to twenty five qualifying organizations will be selected for annual service grants. All qualifying non-profits who apply will receive either free or discounted service.

If chosen for the Community Partners Program, BendBroadband will provide one complimentary High-Speed Internet connection, plus modem or one complimentary video subscription with converter box and remote control to the nonprofit organization listed, for one calendar year (January 1 – December 31). Non-profits must submit separate applications for separate locations desiring service and an application is required for each service, video service or High Speed Internet service, if both services are needed to fulfill the organization's mission. Successful organizations may reapply for consideration for subsequent annual grants. Or, at the conclusion of the calendar year, the organization will qualify for continued service at a 20% discounted, nonprofit monthly rate.

To qualify for the BendBroadband Community Partners Program the organization must:

1. Have a 501(c)(3) Non-profit Tax Status.
Please attach the IRS 501(c)(3) Determination Letter.
2. Utilize BendBroadband's provided High-Speed Internet service to further the organization's mission in the community. BendBroadband's community focus areas are: Children and Families; Arts, Environment and Education.
Please provide web address and/or promotional materials clearly demonstrating the organization's primary mission.
3. BendBroadband would appreciate recognition for providing the complimentary service. Recognition such as inclusion in the non-profit's newsletter, for example, of how the service is being used, signage at computer stations that announce the High-Speed Internet service is provided by BendBroadband, or any other form that the nonprofit suggests.
Please provide copies of any recognition throughout the year.

**Submit Community Partners Program Applications to:
BendBroadband
Attn: Community Partners Program
63090 Sherman Road
Bend, OR 97701**

**All applications must be postmarked no later than December 1st
